### LITHUANIA

#### Wolfas Engelman

**Balta** 5.0%, (1 pint can) **\$15.00**

Top-fermented wheat beer. Hefeweizen- rich with yeast that subtly provides expressive clove and fruit aromas.

**Pilzeno** 4.7% (1 pint can) **\$15.00**

Bottom-fermented pilsener. Light malt and abundance of hops gives taste its richness. Uses German and Czech hops.

**Rinklinis** 5.2% (1 pint can) **\$15.00**

Bottom-fermented lager. Aromatic Perle and Magnum hops combined with brewer's yeast reveal its rich taste.

### ESTONIA

#### Saku

**American Ale** 5.0% (330ml bottle) **\$10.00**

American style barley malt beer

**Tume** 6.7% (500ml bottle) **\$18.00**

Chestnut coloured, rich, dark lager beer. Roasted caramel malt and burnt sugar used in addition to the traditional light barley malt, giving the beer a deep hue, unique roasted taste and a rich nose.

**Porter** 6.9% (500ml bottle) **\$18.00**

Dark Baltic Porter. Unlike Classic English Porter, Baltic Porter is bottom-fermented thus having higher alcohol content.
